

RICCARDO MOLLO

Chief Executive Officer of Permasteelisa S.p.A.

Riccardo Mollo was born in Livorno in 1958.

He is a Mechanical Engineer and a Registered Professional Engineer in South Carolina and Italy.

He is an Officer in the Italian Navy.

He has extensive Project Management experience. He managed industrial facilities in Iran, China, USA, Taiwan, and Sweden, mainly in the Oil & Gas sector.

He was CEO of the Strategic Business Unit "Alliances" in Technip, one of the leading International Engineering Contractors.

He was Technip's Brazilian Managing Director, while the world's largest platform for extracting in deep water was constructed.

Before joining Permasteelisa, he was Autostrade per l'Italia General Manager and served on boards of various Group subsidiaries.

Since January 2015, he has been Chief Operating Officer of the Permasteelisa Group.

He was appointed Permasteelisa S.p.A Group Chief Executive Officer and Managing Director on 17 February 2016.
