## PRESS RELEASE

### PERMASTEELISA GROUP ANNOUNCES BUSINESS EXPANSION TO MONACO, GREECE, CYPRUS, THE BALKANS AND TURKEY

*Monte Carlo, Monaco – 25 April 2016* - Permasteelisa Group, the worldwide leading contractor in engineering, project management, manufacturing and installation of architectural envelopes and interior systems, today announced the geographic expansion of the company to the territories of Principality of Monaco, Greece, Cyprus, the Balkans and Turkey.

150 representatives from the construction, architectural, retail, hotel, health care, as well as financial and banking sectors, attended the event organized at the magnificent Yacht Club de Monaco, where Permasteelisa Group presented its activities and divisions.

We are excited about starting business in new markets,” said **Mr. Riccardo Mollo, CEO Permasteelisa Group**. “To maintain our leadership, we are always looking for new business opportunities, and we do not limit ourselves to any geographical limit”. “As an Engineering company” continued Mollo, “we see technology as a means to keep on strengthening our worldwide leadership as well as help improving the quality of our cities, by reducing the carbon footprint of the built environment”. Last but not least, we invest in challenging collaborations with individuals and organizations who share our vision.

“We wanted to announce this exciting news in Monaco, which is a dynamic and international economic hub, said **Mr. Konstantinos Tsouvelekakis, official Agent** of the company at the territories of Principality of Monaco, Greece, Cyprus, the Balkans and Turkey.

“Permasteelisa is the absolute #1 in its field and many of the most iconic projects in the world are ours, both in exteriors and interiors. I am proud to become a member of the Permasteelisa family, a company which I admire for its know-how and expertise in all the phases, from design development to the successful completion even of the most demanding projects achieving customers’ expectations.
